Final thoughts

Gatsby + Netlify CMS:

- Up and running in minutes
- Easy to customise and add new content
- Easy to invite team members to collaborate
- Low hanging fruit for small/medium size websites

Thank you 🙏
You are awesome ❤️

If your talk submission doesn't get accepted, submit to another event.

And to another.

And another... And lots more!

The goal isn't to get accepted straight away. The goal is to refine the pitch & content until the experts picking talks can't wait to hear it!
